WELCOME TO ART DETOUR!

MARCH 8 & 9
11:00AM TO 5:00PM

26TH ANNUAL ARTS EVENT CELEBRATES "LIVING IN COLOR"

Stop at any corner in downtown Phoenix and take a moment to look around. Everywhere you look you'll see the color and feel the vibrant energy that is pulsing through our city. At the heart of this energy and color is a deeply-rooted and expanding community of artists and arts entrepreneurs who are proud to make downtown Phoenix their creative home.

For 26 years, the downtown Phoenix arts community has held this open house inviting you to explore the spaces where artists create, exhibit, and sell their work. From private studios opened to visitors just two days a year, to coffee house walls, out-of-the-ordinary art spaces, "pop-up" galleries, and fully developed, professional

exhibition spaces, Art Detour rolls out the welcome mat and invites everyone in.

Hop on one of the free, circulating shuttles and let this map help you discover the creative pulse of your downtown.

This incredible weekend comes together through the collaborative efforts of many participants, volunteers, sponsors and elves in the night. Join us in thanking each and every one of them for helping make this the premiere downtown arts event of the year.

Thank You!

POP-UP GALLERIES

Artlink's Pop-up galleries combine raw space and talent to create a refined cultural experience.

Defining features of the pop-up galleries are that they come and go, and they possess an element of surprise in which viewers stumble upon art when and where they don't expect it, thus altering the experience of seeing it. Artlink will foster this on-going program and expand the available spaces for artists to show their work.

Look for the ● on the maps and visit these Pop-Ups open for Art Detour.
